

CLEARTRAK HEAVY DUTY HEADSET

Over-the-head suspension system provides stability during rigorous movement (Behind-the-head headsets available)

Comfortable, dual cloth-covered ear seals

Extreme noise-canceling microphone rated at 19dB

Ideal for military, law enforcement and security operations, manufacturing and industrial engineers, construction teams, airport personnel, racing and driving teams or anyone in a high noise environment.

PTT switch located on ear cup

OTTO **ClearTrak heavy duty headsets** are IS/ATEX certified and offer a certified noise reduction rating (NRR) of 24dB. Fitting snugly to the head, the headset can be worn comfortably under a helmet. The push-to-talk switch is positioned on the ear cup for added convenience. ClearTrak offers superior intelligibility and the additional hearing protection necessary for consistent, clear communication.
